PADDOCK CLUB

2023 HOSPITALITY

CLOSEST TO THE EDGE

From high-speed duels in the desert to the hyper glam of sundrenched Miami and Monaco and from the history and heritage of Silverstone and Monza to what promises to be F1's wildest ride ever as we get ready to race on the iconic Strip in Las Vegas for the very first time. Formula 1 2023 is set to be the most intense, thrilling, and competitive season we've ever encountered.

As Max, Checo, and the Team fire up to defend the twin titles we powered to in '22, we want you with us every step of the way – as our very special guest in Paddock Club. There's no way to get closer to the Bulls' charge for glory than in our luxury suites right at the heart of the action above the pit lane.

Want to get an insight on how it feels to power the new RB19? Hear from the drivers themselves as they give you the inside line on how it feels circuit to circuit.

Want to connect to the garage and plug into the data mapping of a practice session, the nerve-shredding pressure of qualifying and the furious intensity of every lap of the main event? We've got you covered.

Want to take it all in from the best seats in the house? It can only be the Oracle Red Bull Racing Paddock Club.

In the fastest sport on the planet, this is as close to the cockpit as it gets. So what are you waiting for? Strap in and let's fire it up.

LET US ENTERTAIN YOU

Here at Oracle Red Bull Racing we've always done Formula 1 differently. We push the boundaries of what's possible on track and after the flag falls and the champagne is sprayed, we change the game off-track as well... and that mission to find another gear extends to our hospitality experience.

The Oracle Red Bull Racing Paddock Club is more than just hospitality. It's where we truly connect our pursuit of engineering perfection and the high-octane fury of ontrack action with luxury, entertainment, and most of all – energy.

Tailor-made for a fully immersive experience, the LED video wall will bring you every on-track moment in sparkling high-def clarity, while live Pit Links will take you inside the garage as the Team on the pit wall steers Max and Checo through each session.

Briefings with key Team personnel and access to race day data will give you deep dive insights into the world of F1 and how we build race-winning performance into the RB19. Plus, there's also the chance to add an extra shot of adrenaline with the Formula 1-hosted Pit Lane Walk and a host of other experiences.*

As a memento of your experience with us, you'll receive an Oracle Red Bull Racing Team gift bag before you depart.

*Experiences vary circuit to circuit.

BRING THE NOISE

Formula 1 isn't just about what happens on-track and when the engines are powered down, we crank the entertainment to 11, as we bring the noise in true Red Bull style.

Your Paddock Club weekend in our private Team suite will feature world-class dining, created using the freshest, locally-sourced ingredients and available all day. The bar is always open, too, so you can keep the energy levels topped up with Red Bull. And if you want to properly press the button marked **party**, then our in-house DJs are on hand with regular sets throughout the weekend. After all, Formula might be a serious business, but it doesn't have to be.

Our Paddock Club suites are usually positioned above the Team's garage* so you can enjoy unobstructed views of the Team's lightning-fast pit stops and the spectacle of the grid build-up and the race start. On the other side of the pit building, our location connects you to the atmosphere of the sport's inner sanctum and the playground of celebrities and racing royalty – the F1 paddock itself.

We aim to host our private Team suite at as many races as we can. However, at some locations, our Team and F1 Paddock Club guests join forces in the Club Lounge. Here, our Hospitality Team will be on hand to provide the same immersive Oracle Red Bull Racing experience featuring all the exclusive Team appearances and close-to-the-edge access you can handle.

*Suite position varies at different locations. Paddock Club is usually positioned above the team garages, along the start/finish straight
