MIAMI CLUB HOSPITALITY

WELCOME BACK TO MIAMI

Mercedes-AMG PETRONAS F1 welcome you back to Miami.

In 2022 Formula One hosted its first ever Grand Prix at the Miami International Autodrome circuit set in the Hard Rock Stadium complex in Miami Gardens, home to NFL's famous Miami Dolphins.

The inaugural Miami GP drew record breaking TV audiences and unprecedented trackside guest programmes for our Partners. The vibrancy of Miami's sunshine, sandy beaches, art districts and multiculturalism ensured that the race weekend was a hot spot of activity in the 2022 Grand Prix calendar and interest levels for 2023 have remained high since.

Mercedes-AMG PETRONAS Formula One are excited to, once again, be offering Partner guests the opportunity to soak up the atmosphere in our exclusive Silver Arrows Miami Club hospitality with unique trackside views, local cuisine options, international DJs and entertainment in a space that creates the ultimate synergy between Motorsport and the Sunshine State.

Join us for the exclusive Silver Arrows Miami Club experience from 5 -7 May 2023.
